

CLEAR LAMPS

Introducing our LED Clear Lamps a versatile lighting solution that combines energy efficiency with customizable brightness. Designed to deliver excellent illumination and mimic the look of traditional incandescent bulbs, this LED bulb is perfect for creating the desired ambiance in any space while reducing energy consumption.

APPLICATION AREAS

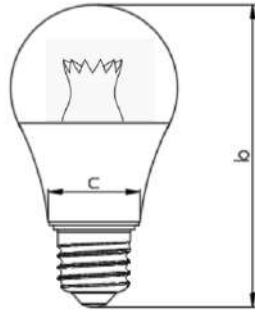

FEATURES

- Emulates the classic incandescent bulb look, adding a vintage touch to your space
- Illuminate with stunning efficiency, thanks to our products' luminous efficacy of up to 100 lm/W
- Enjoy extended operational life with an impressive lifetime of 30,000 hours (L70/B50) with 3 years of warranty, reducing the need for frequent lamp replacements
- Effortlessly customize your ambiance with three color temperature options: 2700K, 3000K and 6500K
- Available with different cap options: E27 and E14 bases, catering to different socket types
- Offering dimming option, allowing you to adjust brightness with a dimmer and set the desired mood
- Omni-Directional Lighting: emits light in all directions, ensuring even and uniform illumination
- Experience hassle-free compatibility with our lighting, supporting nominal voltage range of 220-240V and an operating frequency of 50/60Hz
- Environmentally friendly: Contains no harmful substances like mercury, making it safe for the environment
