ADVANCED 3CCT BULKHEAD

Introducing our Advanced 3 CCT Bulkhead series which offers a versatile and energy-efficient lighting solution, available in different luminaire variants.

Designed for seamless integration into various indoor environments. These bulkheads deliver exceptional lighting performance while maintaining a sleek and modern aesthetic.

APPLICATION AREAS

Commercial Lighting

Parking lots

Garden

FEATURES

- Illuminate with stunning efficiency, thanks to our product's high luminous efficacy up to 100 lm/W.
- Effortlessly customize your ambiance with three color temperature selection with DIP: 3000K, 4000K and 6500K.
- Operate seamlessly in temperatures ranging from -20°C to +45°C with our meticulously designed lighting.
- Experience enduring performance with an impressive lifetime of 50,000 hours (L70/B50) with 5 years of warranty
- Enjoy reliable performance in demanding environments with robust IP65-rated protection against dust and water, along with IK10 resistance.
- Expanded Illumination: With a beam angle of 120 degrees, our product can cover a larger area, eliminating dark spots and ensuring a well-lit environment
- Versions with emergency and motion sensor available
